THE FUTURE OF HEALTH CARE HAS ARRIVED.

HEALTH EXECUTIVE MBA

The health care industry is rapidly growing, approaching 20% of the U.S. economy. It is crucial for health care executives and professionals to understand where business meets health care to successfully navigate critical challenges, influence policy advocacy and lead value based solutions to advance the business of health care while transforming the lives they touch.

The Health Executive MBA has celebrated its 40th anniversary, making it the longest running health care management program in Florida.

The Health Executive MBA is the only program in Florida, and 1 of 6 nationwide, with **BAHM** membership, **AACSB** and **CAHME** accreditation.

Students graduate with Six Sigma Champion Certification - quality and process improvement strategies used in health care organizations around the world.

The Health Executive MBA meets one weekend a month, making it possible to transform the future of health care without interrupting your schedule. Complete the program in less than 2 years. Classes start in January.

No GMAT or prerequisite coursework is required.

Medical doctors can apply for 25 AMA PRA Category 1 credits.
